

Cindy Ng

Biography

Cindy Ng, author of *Girligami*, a fresh, fun, fashionable spin on origami, was born in Hong Kong and grew up in the San Francisco Bay Area. Upon her graduation from UC Davis with a Bachelor's of Science in Business Economics, she designed a line of origami kits and jewelry which is now sold to the most prestigious museums worldwide, including SF MOMA, The Art Institute of Chicago, The Smithsonian, and The Victoria and Albert Museum.

You may have seen her work in Real Simple, ELLE, New York Times and featured on ABC's "The View from the Bay"

In pursuit of excellence, she reads *The Economist*, swims, and attempts new activities (um, ballet? karate?).
